IN CONVENTION. Presidential Electors Chosen. Gov-

Griggs Says "Silver Craze" Will Soon Die Out. One of the biggest Republican

House yesterday to select the Presidential electors and denounce the the numbers. A feature of the convention was the strong bid for Democratic votes for the National ticket. The ever-beautiful Taylor's Opera McKinley.

House was decorated with "Old portraits were numerous. It was 12 10 o'clock when Chair-

man Murphy called the convention to order and presented Rev. George C. Maddock, who opened he convention with prayer. His effort was the most remarkable ever heard at a Jerbey convention. Throughout he brayed for the success of the Republican party and concluded with : "May we at the last reach that city

whose walls are made with jasper and whose streets are paved with gold." several times.

Secretary John Y. Foster then read the call for the convention and Chairman Murphy made a brief address. Among other things he said :

"Not since 1861 has the country the present one. Then, as now, the integrity of the Nation was assailed, and now, as then, the Republican party stands ready to save the coun-

Governor Griggs was made temporary and permanent chairman and was given a rousing reception. He rity of the Republican party, as citi privilege to do whatever she will to delivered an address which occupied zens to whose care our national affairs beautify her person, but no woman has fifty minutes in its delivery. Governor Grigge began by declar-

ing that the country is facing a crisis. The Republican party, as ever, was facing it steadfastly and would meet it as it had met the great problems of the Civil War. Agreeing in prin ciple upon the financial question, he firm and united in opposition to infiation, repudiation and the robbery of labor-while the Democratic machine is trying to enforce its prin believe in or profess one of them-a man who recently declared quite truly that he is not a Democrat-in ciate and favored friend of Tilman, Altaeld, Waite, Penneyer, Stewart, Peffer, and of every other public man who has earned infamous distinction by insults offered in a public manner to the Democratic President of the United States for manfully perform

faithfully executed. Endence was not wanting, he said, that there are thousands of loyal

friendliness of these honest and hon | Walker. orable Democratic citizens. We ap | The Republican Primary was held in pland their patriotic spirit, and are the Third Ward on Monday night make headway against the common enemy, and to shed light upon the unenlightened. We are not engaged in a contest for victory over the Demin a contest for victory over the Demperatic party-it was beaten in Chicago n its own convention—but we are fighting the united forces of Populism inflation, communism, and all kinds of false doctrine, heresy and

schism. Governor Griggs spoke at length of the vast loss to labor that woul ensue as a result of free silver coinage and attempted to show the fall acy of the argument that the fiat of the Government could add value to Dunn English, Chairman of a committee from the turf the element of betting, and money: He declared that the free appointed, presented strong resolutions now long will racing continue to attract money: He declared that the free silver movement was a coalition for mutual benefit between silver mine owners and greenback inflationists. He spoke of the large purchases of silver by the Government under the Sheruan law and declared the silver mine owners were trying a tremend made of the party, and supous banco game This nation was porting the Republican platform and the not yet independent of foreign na Republican candidates against Demotions, whose capital had in the past cratic usage and in violation of the future to piloted by Parson Davies, who aided in developing the great re-principles of Jeffersonian Democracy, vill act as his manager. sources of the country. Free silver, which always recognized the will of the he said, would increase the price of majority in Democratic councils."

"My friends, this hysterical frenzy for the absurd doctrine of free silver is only midsummer madness. It will not stand the test of not stand the test of reason or of self- To retain an abundant head of hair of interes. Fortunately for our coun- natural color to a good age, the hygiene
